Durable • Versatile • Easy to Use

Drag your game easily and safely with DragBuddy.™

Patent-pending DragBuddy™ takes all the hassle out of getting your field-dressed game back to your vehicle. It's a three-in-one tool that lets you drag, tow, and hang game without damaging the cape or risking a sore back.

- **Compact and lightweight** so you can carry it with you into the field.
- **Sturdy, high-tensile steel construction** means your DragBuddy will last, season after season.
- **Installs quickly and easily** into the animal's mouth to pull from the skeleton, not the hide.
- **Won't damage cape** – approved by taxidermists.
- **Designed for stable, full-stride movement** by one, two or three hunters to help reduce the risk of muscle strain.
- **Rubberized coating** gives you a firm grip even when it's wet.
- **Hunter orange color** is easy to spot.
